We should receive the Gator in about 3 weeks.

Field Days were discussed. No Field mix is needed and Gary Blumenthal got a power roller w/sod cutter and a trailer full of stuff from the Chicago CUBS.

Less compression Balls we are still waiting for the Samples. If we can't get them Jim Balfanz and Jeff Straulin said regular balls are okay.

Many Volunteers are still needed. If anyone would like to step up and coordinate the In-House All Star Tournament it would be greatly appreciated and Mike Koeshell would help out.

Karen Baird gave a Big Thank You to Theresa for all she has done. Theresa Sykucki has been working with the IRS and we will be considered Tax Exempt from July 30<sup>th</sup>, 2007. No Lawyer is needed.

UMPIRE Coordinator still needed. Frank Cavanaugh stepped up to coordinate the Pony Division. Thanks Frank.

Denise Jordan has volunteered to run the Picnic this year. Tammy Quinn will do everything to help out. She will need a lot of help with Trophies and the Picnic. Thank you Denise.

A Big Thank you to Jack Tinsley for all his hard work.

We will need to cash in the CD.

All Star coaches are due by mid April. We need your commitment.

Karen Baird made a motion for Joe Kilbride to spend up to \$500.00 not to exceed. For a PA System for the baseball field. Katie Blount 2<sup>nd</sup> the motion.

Guara Family will raise flag at the opening day ceremony while Cailyn Quinn sings the National Anthem.

Pinto draft, there was a lot of emotions about the draft. Suggestion made by the attendees were to get the coaches together and maybe shuffle if unsatisfied. Tammy Quinn stated the Draft should be re-done. General Membership said to late to order uniforms if draft re-done. Many state we don't use by-laws why start now. Mike Koeshell to call all coaches and if 1 or 2 unhappy he will try to satisfy, if lots unhappy it will be re-done. Parents Jennifer and Robert Freund expressed concern for all the children in the league that the draft was unfair and should be taken into consideration to do it differently next year and follow the by-laws. If by laws are not followed why have them.

Motion to Adjourn @ 8:30pm by Katie Blount and 2<sup>nd</sup> by Karen Baird.

Next Meeting April 9<sup>th</sup>, 2008 Maple Room Township Building.
