Open discussion :

Joe Kass is helping with a 10U Tiger team and asked for 4 weekend dates to play on one of the mustang fields. It was stated that the Jr High owns the fields so he would have to contact them and provide the Jr High with insurance information. Joe stated that they would help with the field days.

Wonder Lake would like to join forces with the JBBL to field 3 mustang teams. I left a message for their coordinator and stated that we would be happy to have them in the league as long as they conform to the JBBL rules. They would have to provide proof of insurance to the JBBL

Motion to adjourn by Rick Sompel and seconded by Jim Belfanz, meeting adjourned at 747 p.m.
